WEDNESDAY EVENING, APRIL 30, 1862.

THE UNION of Hearts-the Union of Hands; The Union of States none can sever The Union of Lakes-the Union of Lands; And the Frag or Oun Union Perever!

Born houses of Congress are engaged in concecting Bills for confiscating the ellien. There seems to be a competition

The telegraphic desputches have informed us that the "Republican party" as such has resorted to the partisan and determine what to do in the matter and as ever came from the Army of the Po- retrenching at Corinth, waiting for rein. To the Associated Press: by majority vote among themselves to decide upon a bill that all shall support in the House.

The bills proposed the reported under the name of confiscation are all shaped for the emancipation of slaves-a thing an undoubted power to fix and define of it to provide for a forfeiture of the rebels property as far as the constitution must be declared and fixed by the sen- than could have been expected." tence of a court, and the rebel's ownership can only be divested by a sale of the property. The section proposed by Mr. Bingham, declaring that the slaves of rabels shall be free, if passed will be ut. Presence in the battle of Gen. McCook terly null and void. Then why do they and his division, when it is evident to pass it? We are loth to assume that they do not know this-and still more loth to was here on Monday, that Gen. McCook assume that they not dishonestly and in contributed more, on the field, to the face of knowledge.

These men have declared over and over again that Congress has no power zen of Columbus, who was present at the over the laws of property and of domestic relation within the States, and they thus speaks of Ohio troops and McCook: have in this present Congress declared that it is no part of their design in the General McCook's Division saved the present war to meddle with slaves, and army from defeat on Monday, being in yet they stultify themselves by sceking the advance of General Buell's army. to do the very thing they had so openly

But as there gentlemen have emanci- figh Constitution, and the Hells of Congress and its military contributors, "Captain" may never see their like again, they Donn Piatt included, pronounced inferiought to go on and make their work as or in point of Generalship to Gen. Bob. complete as it is unique. They should declare the Blacks to be citizens in all is, Ohio has sent no abler officer into the States with a right to vote and eligible war, if we except McClellan, than Alex. to any office. It would look well on paper and would bring back from Europe, ship in every battle in which he has been fine newspaper paragraphs from the newspapers for the Cincinnati Gazette and above: He accomplishes the most and other Gidding's papers to publish.

The question of power need be no hinderance, for Congress now seems to think that it has an unboubted right to do what it pleases, if they call it war power.
